Dear Colleagues,

The Massachusetts Attorney General's Division of Public Charities has issued new guidance "extending certain deadlines and making other changes to assist the sector in operating from remote work locations due to the COVID-19 Pandemic."

These changes offer some welcome relief in these challenging times. The Division has extended the deadline for all 2019 annual Form PC filings for 6 months (in addition to the automatic 6 months extension many charities elect) and has provided on-line processing instructions for other filings.

A link to the **Public Charities COVID-19 Notice** can be found [here](#). Please don't hesitate to call if you have questions about how this guidance may impact your organization.

With best wishes,

***Liz and Team***
