Dear Friends,

As we all work to respond carefully and effectively to the challenges presented by the Coronavirus pandemic, the Massachusetts Nonprofit Network is doing an enormous service in gathering current information and offering updates to the Massachusetts nonprofit sector.

An important update today can be found here:

<http://massnonprofitnet.org/nonprofit-resources/coronavirus-massachusetts-nonprofits/>

MNN also has a dedicated Coronavirus page on its website: <http://massnonprofitnet.org/>

I hope you find these resources helpful and thank you for the important work you are doing for our communities.

With best wishes,

Liz Reinhardt and Team
